RE: Request for Certificate of Compliance at Lot 3A Centennial Lane DEP File # 85-964

Dear Commissioners,

On behalf of our client, Centennial Lane, LLC, we respectfully request the issuance of a Certificate of Compliance for work completed at Lot 3A Centennial Lane (DEP File No. 85-964). Enclosed please WPA Form 8A: Request for Certificate of Compliance.

Our office conducted a site inspection on June 6, 2008 and, although our firm did not supervise every aspect of construction, the site appears to have been developed substantially in compliance with the Order of Conditions issued. Dwelling construction, site improvements and site grading were observed to have been completed substantially in compliance with the approved plan. All areas that had been disturbed by construction activities were observed to be stabilized with vegetation and/or loam & seed on the date of inspection.

If you should have any questions regarding this request or require any additional information please feel free to contact our office.

Very Truly Yours,

FORESITE Engineering Associates, Inc.
